14 ft. TRAILER - Enclosed Pull Behind

AGASSIZ Trailers

High Quality Canadian Built Triple Wedge "V" Front Trailers

Charcoal, aluminum wheels, lined ceiling, rear ramp door and quad floor upgrade. The most dust proof trailers on the market. The Triple "V" wedge pushes airflow to both sides as well as up and over. Agassiz has thicker aluminum exteriors than other manufacturers. They use .040 thickness aluminum as standard features. 4" high tensile strength I-beams as cross members and 2" x 6" main frames.
Agassiz Trailers is renown for their fit and finish. The most durable trailer on the market!
